- UP TO 128 Kbps
- EASE OF USE
- CONFIGURATION TOOL

Tornado Webjet 128

External ISDN adapter

Access to the Internet through ISDN with the Webjet 128 terminal adapter offers you high speed access with ease of use at low cost.

The TORNADO Webjet 128 offers line speed up to 128Kbps (2x 64Kbps) and is ideal for the Internet, telebanking and fax.

The built-in configuration tool allows you to select specific telephone numbers to which you wish to establish a remote connection to download updates from the Internet.
